Kelvin L. Simmons
Commissioner

Dear State Employees,

As Commissioner of Administration, I am proud to be part of a workforce so strongly dedicated to public service.

In recognition of your commitment, I am pleased to announce that the Office of Administration has entered into an agreement with WeSave.com to provide an employee discount program for state employees. The goal of the WeSave Program is to help state employees maximize their household budgets by saving money on items they normally purchase. The program is strictly voluntary and will be provided at no cost to state employees. The WeSave Program will launch on August 16 in conjunction with State Employee Recognition Week.

State employees who choose to activate their WeSave membership online using their personal email address will have access to a customized online portal that includes:

- A variety of savings opportunities, giveaways, and promotions.
- Discounts from local merchants, grocery stores and restaurants with online coupon printing to ensure the best offers are available.
- Exclusive savings on national brands.
- Online shopping with cash back from purchases.

As an added value, employees who use WeSave's online shopping mall will be helping others via a one percent "cash back" donation from their online purchases to the Missouri State Employees Charitable Campaign.

The WeSave Missouri Program is another way to personally thank you for all that you do in service to others. You will be receiving more information about the WeSave pre-launch website, ways to suggest local vendors, and how to sign up to participate in the program soon. I encourage you to learn more about this program and register to enjoy the savings the program provides.

Sincerely,

A handwritten signature in black ink that reads "Kelvin L. Simmons".

Kelvin L. Simmons
Commissioner of Administration
